

**Hi again! This list covers Second Floor of Americamart, and it's eleven pages! What was I thinking? I blame Leigh and Jon, LOL. As before, the color key is colored to my opinion, from what I've seen of the vendor's website. So don't be surprised if you go on the website (or in person) and see an orange vendor (lots of artsy stuff) that also sells blue stuff (omg, a plushie!). If a vendor's website had a large variety of items, I added a second appropriate color. I hope this helps your Dragoncon shopping experience!**

### **Color Key:**

*Books, Comics, Music*

*Cosplay, clothing*

*No Idea*

*Art (includes wearable)*

*Collectibles, Merch*

*Anime, Movies*

*Strictly Gaming*
